I mean all memes aside, if Trump broadcasted something like this I'm positive that he would muster the support of enough of the public to back his words up... the more I think about it the more it seems likely that with one directly worded message Trump could muster enough of the public from across the USA to flood the streets of DC

I wonder if Trump's opposition realistically understands the support he has behind him? If so than that would explain their scrambled together, patchwork disinformation campaigns... they must be petrified of Trump making that message that we are crossing the Rubicon!

They don't believe it can happen.

But if he were to declare Martial Law in DC alone and told armed patriot to flood for a caravan "march" to Georgia, Pennsylvania and Michigan in the snow, you would have at least 2 million men ready to do it.

To do it on or after January 6th is a huge fucking error.

The plan is to arrive 1PM 1/4, be in place before Congress tries to get to their meeting 1/6. Show them who to be afraid of. SCOTUS gets that same shakeup, too. Clog the streets in our vehicles so nothing can move. Load for bear. Do not comply.

Stay til 1/20, inauguration day. Waiting til after that would be the mistake. Resolution coming through normal channels should be before 1/6. Now is time to demonstrate at all State Capitols, today at noon, barrage State legislators and all Congress critters.

The verse that gives me calm in this storm is "Vengeance is mine, sayeth the Lord."

It doesn't mean we should stay home and let God do all the work; but it does mean that in the end, any sinners who had the opportunity to repent but did not will be punished.

Praise God our Perfect Judge! May we share His great gift of Reconciliation! Mercy abounds for those willing to embrace it, but those who harden their hearts will receive just punishment. May God use us for His perfect will, whether that be to fight like King David, reveal the evil and defend Ourselves like Esther, or march and shout like Joshua and the Battle of Jericho and watch God do all the work? For the people's sake I'm praying for the last option. Be ready and willing to work when God gives the call. Maybe that's Jan 6 for those able to attend?

Very important question! In order to actually occupy any area, we have to block the streets with our cars, which means we have to at least guard them. Some are planning on bringing tents, which will certainly help. Maybe we can occupy enough area to have tents on the street. If we all stay in hotels and park legally we won't have nearly as

much of an impact. Still worth doing, but all these details need to be seriously planned out in advance. Form groups of likeminded people.

This is the most important event in any of our lives, and for the future of our Nation. Heroes are called for. Thought, investment, etc. I'm sure there aren't millions of hotel rooms. Someone else in this thread mentioned meeting elsewhere and marching in armed. Sounds like a brilliant plan to me
